

Amazing love – Kees Kraaijenoord

Couplet 1:

Whisper in my ear
Tell me one more time
The words I long to hear, that I
I am forgiven

Couplet 2:

Hold me in Your arms
Draw me next to You
Safely by Your side, I know
That I am forgiven

Refrein:

And I will never truly know just
Why You love me Lord
I am so broken and so desperate
Still You love me more
Lord, I love Your amazing love

Couplet 3:

There's beauty in the way
Your cherish and embrace me
In all my brokenness, I know
That I am forgiven

Refrein:

And I will never truly know just
Why You love me Lord
I am so broken and so desperate
Still You love me more
Lord, I love Your amazing love

Bridge:

And I lift my hands
In worship at Your throne
And I raise my heart
So thankful Lord, for what You've done

I love Your amazing love

Refrein:

And I will never truly know just
Why You love me Lord
I am so broken and so desperate

Still You love me more
Lord, I love Your amazing love
I love Your amazing
I love Your amazing love
