

Love came down – Ben Cantelon

When I call on your name you answer

When I fall you are there by my side

You delivered me out of darkness

Now I stand in the hope of new life

... Yeah, stand in the hope of new life with You

When I call on your name you answer

When I fall you are there by my side

You delivered me out of darkness

Now I stand in the hope of new life

By grace I'm free, You've rescued me

All I am is yours

I've found a love greater than life itself

I've found a hope stronger and nothing compares

I once was lost, now I'm alive in You

.... I'm alive in You, Thank You Lord

You're my God and my firm foundation

It is You whom I'll trust at all times

I give glory and praise, adoration

To my Saviour who's seated on high

I've found a love greater than life itself

I've found a hope stronger and nothing compares

I once was lost, now I'm alive in you

..... I'm alive in You I'm alive

Love came down and rescued me

I thank you I thank you

I once was blind but now I see

I see you I see you

Love came down and rescued me

I thank you I thank you

I once was blind but now I see

I see you I see you

By grace I'm free, You've rescued me

All I am is yours

By grace I'm free, You've rescued me

All I am is yours

I've found a love greater than life itself

I've found a hope stronger and nothing compares

I once was lost, now I'm alive in you

I've found a love greater than life itself

I've found a hope stronger and nothing compares

I once was lost, now I'm alive in you

I'm alive in You-ou-ou
