

When I Say I Do – Matthew West

There must be a God. I believe it's true.
Cause I can see His love when I look at you.
And He must have a plan for this crazy life,
because He brought you here and placed you by my side

And I have never been so sure of anything before
like I am in this moment here with you.
Now for better or for worse are so much more than only words.
And I pray everyday will be the proof
that I mean what I say when I say, "I do."
I mean what I say when I say, "I do."

You see, these hands you hold will always hold you up
when the strength you have just ain't strong enough.
And what tomorrow brings, only time will tell.
But I will stand by you in sickness and in health.

And I have never been so sure of anything before
like I am in this moment here with you.
Now for better or for worse are so much more than only words.
And I pray everyday will be the proof
that I mean what I say when I say, "I do."
I mean what I say when I say

Take my hand and take this ring
and know that I will always love you
through anything, yeah.
And as the years march on like a beating heart,
I will live these words 'til death do us part.

And I have never been so sure of anything before
like I am in this moment here with you.
Now for better or for worse are so much more than only words.
And I pray everyday will be the proof
that I mean what I say when I say, "I do."
I mean what I say when I say, "I do."
